# 'VacStuds 2009 All Over Again'

## Mary Hare DVD Cheam DVD

The Courses are over. The memories remain.

Memories that have been captured on film.

From footage I shot at each school every day, a studio is compiling two 'VacStuds 2009 All Over Again' DVDs - one for each Course.

Each of the 2009 DVDs contains about two hours of memories.

In addition to daily activities, I tried to attend each Course's special events - 'The Casino', 'Christmas Dinner', 'Eurovision', etc. If I was there, it was probably filmed and some of it will probably be in the DVD. *Everyone* appears somewhere or other.

Short runs are expensive. The charge (*cost price + postage/packing*) = £35.00 (or €40). If you would like a DVD, send the cut-out form below (keeping this top part for your information) in an envelope with a £20 + £10 + £5 note or cheque drawn on a British bank for £35.00. You can send €40 cash only. I suggest you avoid a bank-to-bank transfer as the charge may be as much as the amount transferred. Filming was in HD (High Definition). HD technology is still too new for the 2009 DVD to be created in HD, but the quality will be good as the original footage used was shot in HD.

A limited number of each DVD will be produced. **We must receive the form below no later than 10 September.** If the number of orders exceeds the number of DVDs produced, we shall return the money sent. *Do not fax this form.* Orders will not be acknowledged, but the DVD will be posted immediately it is available **after 15 September.**

The DVD is designed to run on a European/Scandinavian domestic DVD player or a PC.

To prevent customs charges to non EU countries, the DVD will be sent as 'NCV' (no commercial value).
